EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Clifford J. Mass on November 3, 2006.

The application has been amended as follows:

Claim 68 (cancelled).

2. Claims 1, 8-10, 67, and 69-71 are allowed.

3. The following is an examiner's statement of reasons for allowance: The reasons for allowance remain the same as previously set-forth in this record. This examiner's amendment cancels claim 68 which recited previously cancelled species and, consequently, failed to further limit independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
